

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Carlos J Martina PC v Ezekiel Young**
Docket No. **267322**
L.C. No. **04-413514-CZ**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The claim of appeal from the September 7, 2005 order granting summary disposition as to liability is DISMISSED for lack of jurisdiction since the circuit court has not entered an order that sets the amount owed. MCR 2.604(A), 7.202(6)(a)(i), and 7.203(A)(1). In order to be a final adjudication, the circuit court must enter an order or series of orders that resolve all issues before the lower court and establish the remedy for the situation. See, e.g., *Children's Hosp v Auto Club Ins Ass'n*, 450 Mich 670, 677; 545 NW2d 592 (1996) (order appealed was not final as the amount of damages owed had not been reduced to a written order). If appellant still wants to file an appeal from this interlocutory order before the entry of the final order, he must file a delayed application for leave to appeal under MCR 7.205. See MCR 7.203(B)(1).
